INCAS - Project

E2C and INCAS Project

INcreasing impaCt in internAtional work placements

Dear members of E2C!

E2C participates in INCAS Projekt. INCAS project develops opportunities for students in SCE to do an internship abroad. For this, the possible hosts are found and the necessary information and materials for the preparation, implementation and evaluation of these internships are put together. The board has commissioned me to coordinate the project. I will send information about the project and ask for support. You recognize my information about this design in your inbox.

Thanks a lot
